BOOKER CASE GOES TO AUSTIN COURT

COURT'S OWN MOTION SENDS CLARENCE BOOKER TO TRAVIS COUNTY COURT FOR TRIAL

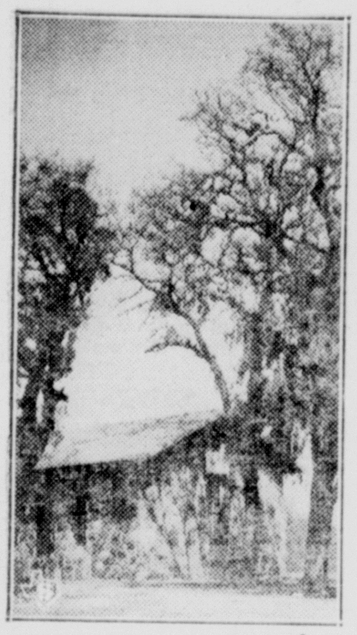
Here is the official text of Court's own motion written by Judge Graham Gillis, transferring the case of Clarence Booker to Travis county. The negro is charged with the murder of Andy Smith in Cameron on the night of December 22, 1932. The case has been set for trial April 17th.

"On this the 23rd day of March, 1933, the court on its own motion called the case of the State of Texas Vs. Clarence Booker number 9264, upon the docket of said court to determine whether or not the venue of said cause should be changed to some county other than the county of Milam and State of Texas, and the State appeared by her Criminal District Attorney, S. M. Burns, and there were present L. L. Blaylock, Sheriff Milam county, Texas and Penn Wolf, clerk of the District Court of Milam County, Texas, and it appearing to the satisfaction of the court that a trial alike fair and impartial to the accused and to the State cannot be had in the County of Milam and State of Texas, because of the widespread notoriety and publicity which said case has received in said county and because of the widespread prejudice against the defendant in said county and it further appearing to the satisfaction of the court that the same conditions as to the widespread notoriety and publicity and as to prejudice against the defendant exist in all counties adjoin the county of Milam, and it further appearing to the court that the county of Travis, State of Texas, is not subject to the consideration above set out as obtaining in Milam County and all the counties adjoining Milam county.

"It is, therefore, ordered, adjudged and decreed by the court upon its own motion that the venue of this cause be and the same is changed to Travis county, Texas, to be tried in the District Court of the 53rd Judicial District of Texas, in said Travis County, Texas, and the defendant, Clarence Booker, being in custody the Sheriff of Milam County, Texas, is ordered to remove him to the said county of Travis and to deliver him to the sheriff of said Travis Counyt forthwith.

GRAHAM GILLIS, Judge Presiding, 20th Judicial District of Texas.

Houston Camp



Where Sam Houston camped near San Marcos many years ago, the Boy Scouts have built this picturesque retreat. Under these same oaks Sam Houston and his men stopped in Texas' Revolutionary days. R. F. C. unemployment relief funds were used for the construction work.

THE FAIR CELEBAATES FIRST ANNIVERSARY

Of interest to shoppers is the announcement of Chas. Zidell, celebrating the first Anniversary of "The Fair" with a pre easter sale in which new low prices are made on new season merchandise.

One year ago Mr. Zidell entered business for himself. Prior to that time he had managed the New St. Louis Store, building a good trade for the store. Friends and customers followed him to his new location and the past twelve months has brought The Fair the success it deserves under the ownership and management of Mr. Zidell.

The sale opened this morning at 8 o'clock. Many took advantage of the offerings for Thursday and the week end was expected to bring hundreds to the store for the sale.

Of especial interest is the shoe trade built in one year. In this sale Mr. Zidell has 2000 pairs of shoes from which to select and the lowest prices in history are being quoted. This also holds true in the dresses and frocks for Easter. Mr. Zidell invites his friends to visit the store during the Pre-Easter Sale and anniversary celebration.

Glenn Kahler Soon To Graduate From Medical College

Glenn Kahler, graduate from Yoe High Schol in 1928, and now a student in medical college at Galveston, will graduate next year. He was valedictorian of his class in high school.

He is the son of Mr. and Mrs. E. J. Kahler of Buckholts and a nephew of Mr. and Mrs. E. L. Kahler of Cameron.

Mr. Kahler has been elected manager of the Students Association for this year and is also editor of the university magazine which is supported by the merchants of Galveston.

Honors are being heaped upon this former Yoe High student. He has been recently elected Archon of his fraternity which is the highest honor in the fraternity and will represent the organization at the national convention in Chicago next year.

Mr. Kahler was 21 years of age in September and will be 22 when he completes his courses in medicine at the school in Galveston.

MRS. MARY CAMPBELL BURIED AT NORTH ELM

Mrs. Mary E. Campbell, 85 years, six months and eight days, died at the home of her daughter, Mrs. N. E. Coulbourn at Yarrelton, near Cameron, Tuesday morning, March 28, 1933, at 4:15.

The funeral was held at the home of her daughter, where she had made her home for years, Wednesday afternon at three o'clock, by Rev. M. M. Barnett. Interment was made in North Elm cemetery.

Mrs. Campbell was born September 21, 1847 at Florence, Ala. and came to Texas with her parents when quite young. She was left a widow many years ago. She had been a loyal member of the Methodist church for a number of years, and had gathered around her a large circle of friends. She is survived by six children: Mrs. Colbourn, Mrs. Virginia Tubbs and Mrs. Genia Claxton of Yarrellton; Raymond Campbell of Dallas, Seth Campbell of west Texas and Hugh Campbell of Ballinger.

Dees Freed By Jury Cattle Theft Charge

S. W. Dees was found not guilty by a jury in District Court here Tuesday afternoon of charges of cattle theft growing out of an indictment returned by the grand jury last fall. The indictment charged Dees with stealing cattle from B. F. Stewart of Cameron and selling them to a market in Rosebud. The jury rendered a verdict of not guilty.

E. A. Camp of Rockdale represented Dees and the prosecution was conducted by S. M. Burns, Criminal District Attorney.

Beauties of 1933 at Texas Tech

Here are the eight most beautiful girls at Texas Technological college, Lubbock. Their pictures will grace eight pages of the college annual. Top row, from left, are: Pauline Cawthon, Clovis, N. M.; Helen Barstow, Lubbock; Geraldine Durham, Hamilton; Melba Watson, Lubbock. Bottom row, Mary Lofland, Vernon; Lois Watson, Lubbock; Wanda Butler, Lubbock, and Eva Ruth Brady, Decatur.

CAMERON GROCER FOUND DEAD IN STORE YARD HERE

J. W. Stitt, grocer, died suddenly early this afternoon from heart attack in the yard of his home and grocery on the Country Club road. He was found in a dying condition by members of the family.

Mr. Stitt had been suffering from heart attacks for several months.

He had been engaged in the grocery business there for about two years.

Funeral arrangements were to be made Friday morning. He is survived by his widow and small children, Mrs. Stitt being the daughter of the late T. N. Lindsey.

LOAN CHECKS RECEIVED BY FARMERS OF MILAM

A total of 163 checks on government money were received here Wednesday by Homer Nabours, county clerk, and sent by mail direct to Milam county farmers, according to W. M. Cobb, secretary of the Chamber of Commerce. Forty checks had previously been received.

Loans totaling 300 have been completed for the county as against 150 last year. They average less than $100 each. Applications will be received up to April 30.

Farmers must reduce the 1933 acreage 30 per cent in cotton to get a loan. Landlords must sign a waiver of lien allowing tenants to pay the government loan prior to any other obligation.

Farmers who did not farm last year are limited to borrow on acreage limited to 8 in corn, two and a half in truck and 20 in cotton.

Marine Corps Wants Recruits In April

The United States Marine Corps at the recruiting station at 535 St. Charles Street, New Orleans, will have vacancies during the month of April and will receive applications, according to Major P. D. Cornell.

High school graduates and mem from higher institutions of learning are eligible.

Many are selected for sea duty on board battle ships and cruisers are given opportunity for travel for thousands of miles and visit many strange lands.

The corps offers aviation, radio, music, clerical and other schools. Address the New Orleans recruiting station for application blanks.

M. W. Price, who has been confined to his bed the past six weeks, is reported to not be improving. Many friends hope for him a change for the better.

Glorified!

Miss Sytha Watts, a diminutive Gonzales (Texas) girl, has been selected by Professor Raymond Gaston Terasmi, because of her perfect figure, to assist him in his "Hollywood Body-Beautiful Exposition," now appearing in theatres the nation over. One good look and we agree that the professor's judgment is excellent! Her stage name is Sytha Ahtys.

Postal Employes Get 15 Per Cent Cut

It was made known here today that postal employes had received a reduction of 15 per cent in their wage scales.

The reduction, it is said, is a part of the economy program of President Roosevelt, given broad powers to slash the cost of government by congress. The cut applies to all employes alike, both well paid and underpaid.

DO YOU SIGN PETITIONS?

Temple—Four hundred persons, including the managing editor of a daily newspaper here signed a petition addressed to President-Elect Roosevelt that he name Guiseppe Zangara, the man who attempted to assassinate him at Miami, a member of his cabinet.

Only four persons refused to sign the document, a reporter for a local newspaper said. The name of the convicted man was included in the petition which began with a plea that the president-elect adopt a policy of economy in government expenses. With the exception of the 4 who refused to sign the petition, none read further than the first paragraph of the petition, its sponsor said.—Amarillo Daily News.

Surprise Deeision Denies Cameron Court Trial

Clarence Booker, negro, confessed axe slayer, will be tried for his crime in District Court in Austin.

On its own motion here Friday District Court under an order written by Judge Graham Gillis, presiding judge, transferred the case to Travis County. It was a surprise decision so far as the public had anticipated, indications having been accepted that Booker would face trial at the scene of his crime.

Judge Gillis in his order said that great prejudice exists here against Booker and that too much publicity has been given the crime. Under these conditions it is understood the negro would not be given a fair trial.

There had been no indication, so far as known, that any attempt would be made to molest the negro, in case he was brought back for trial, although it was believed that fear of such occurence are often the basis of decision for change of venue.

Booker stands charged by Grand Jury indictment with the murder of Andy Smith, Cameron grocer on the night of December 22, 1932. Booker confessed that he had slain Smith with an axe to rob him of a jar of coins kept in the store. He remained in Cameron for several weeks and was finally arrested after he had confided to another young negro his guilt of the crime.

A DIME A DEMOCRAT QUOTA FOR MILAM

A dime a Democrat is the quota assessed Texans by the Democratic National Committee. The Texas National Democratic organization of which Roy Miller is Director, Senator Margie E. Neal, co-director, and Frank Scoffield, finance director, have assumed the task of raising $75,000, which is ten per cent of the $750,000 deficit of the Democratic National Committee.

This rather formidable sum is proportionate to what Texas has received and expects at the hands of the Democratic party, it was said in a statement released by National Democratic headquarters at Austin.

Postmaster General James A. Farley, who is chairman of the Democratic National Committee, is requesting so large a sum of the Texas organization is actuated by the extraordinary record of this state in the campaign last fall. Texas, it will be recalled, furnished the largest Democratic majority for Roosevelt and Garner, and contributed the second largest sum of money, being exceeded only by Roosevelt's own state of New York.

The amount requested from Texas was approximately one-tenth of the number of Democratic votes cast in Texas last November. In determining the quota for each county the Texas organization decided to allot the quota in proportion to the votes cast. Ten cents for each Democratic vote approximates very closely the sum expected from Texas.

There were 4,692 votes cast in Milam county. The quota, therefore, is $469.20.

"Every Democrat in Milam county ought to feel that the New Deal is worth at least a dime to him," Frank Scoffield said. "We are now advising county chairmen of the sums expected of them and anticipate no difficulty in raising Texas' part of the party's debt."

Stanton E. Dossett, member of the district committee, has been placed in charge of Milam county's quota drive.

DR. W. R. NEWTON HAS SUPPLY OF SERUMS

Dr. W. R. Newton, county health officer has on hand a limited supply of serums which he is at liberty to use of vaccination against diphtheria and typhoid fever. These serums are given free to those who are unable to buy them and pay for the injection.

Dr. Newton, as a result of his extensive work, anticipates a decided decline in typhoid and diphtheria next year.

Many friends of Dr. Newton will be glad to know that he has recovered from his recent illness and is able again to be at the hospital doing surgical work.

CORRECTION

Due to an oversight in the compilation of the results of the Milam County Interscholastic Meet, first place in the rural school division was given to Yarrellton, when first place in the rural school division should have been given to Bethlehem. Bethlehem won the all round championship in the rural school division with the total of 97.5 points in literary events and 20 points in athletic events, making a total of 117.5 points. Finis Keaton of Minerva deserves special mention for having made the highest individual score in arithmetic—160; the next highest was 135.

Knights of Pythias Give Entertainment Here On April 10th

An entertainment for members and former members of the Knights of Pythias will be held on the night of April 10 in the Castle Hall of Milam Lodge No. 125.

Plans for the entertainment were announced Wednesday by Fred Jackson, Chancellor Commander. The meeting will be held in the lodge hall. Refreshments will be served and a good program of entertainment will be given.

All members and former members are urged to attend the meeting.

HAD BIG PART IN LEGION ENTERTAINMENT TUESDAY

The Herald is requested to add to the account of the Legion entertainment in Burlington last Tuesday night honorable mention of Jerome McAtee and Monroe Vogelsang who had charge of the orchestra that furnished music for the occasion.

Mention of the part these men had in entertaining the Legion members was overlooked in the original draft of the story covering the entertainment.

Members of the Legion Post at Cameron who reside at Burlington entertained the men who live in

Terracing 16 Years Ago Reclaimed 20 Acres of Farm Land

About 16 years ago H. H. Camp, near San Gabriel in Milam county, did his first terracing on about 20 acres of land, then badly washed with ditches two feet deep.

Last week we were doing some more terracing on a piece of land adjacent to this 20 acres, and while looking over the 20 acres terraced 16 years ago, Mr. Camp told the county agent that this piece of land had made more cotton per acre than any land on his farm, and the ditches are all filled up.

Terracing was something new to most Milam county farmers 16 years ago, and the county agent remembers very distinctly the remark Mr. Camp made while running the terrace lines.

He said "I don't like these crooked rows, and just look at the point rows, too much trouble to plow."

Since then Mr. Camp has done a lot of terracing on his farms and now said it is the only way to conserve our soil, and all land that is erodeing should be terraced.

BUCKHOLTS

Jesse Newton made a business trip to Laredo Tuesday.

Dr. W. W. Lowary spent a part of this week in Hillsboro.

Mrs. W. G. Bain and son, Gail spent the week end at Granger with her sister, Mrs. J. T. Houston and family.

C. B. McNeill spent the week end in Dallas.

Misses Elita Lehman, Maxine Hyer, Ava Nell Mitcham, Virginia Ezzell, and the following boys L. A. Patillo, Temple Allen, Lorenz Zalisko, Henry Fuchs and Seth Corley enjoyed a weiner roast at Wayside Saturday evening.

A children's day program at the Methodist church Sunday morning was well rendered. A good crowd was there to enjoy the program.

Mr. and Mrs. Guido Gersbach, Mesdames E. L. Hinson, Sam Mewhinney, J. M. Mitcham and Ross Dabney attended a meeting of the county Parent-Teachers Association Saturday in Cameron.

Jesse Newton was a Houston visitor Monday.

Miss Olga Krall spent the week end with her cousin, Mrs. Jerrie Schiller.

Mr. J. Frank Cook of Gause was a recent Buckholts visitor.

Mr. and Mrs. T. F. Criswell of Calvert were Sunday guests in the home of his parents, Mr. and Mrs. D. R. Criswell.

Misses Mattie Bancom and Mary Frances Elliott spent Sunday with friend sat Marlow.

Mesdames Clarence Hopkins and E. J. Kahler were Temple shoppers Thursday.

Marion Corley has returned from a few days stay in Arkansas City, Kansas.

L. J. Fuch made a business trip to Fort Worth the early part of this week.

MARLOW-TROOP NO. 52

Marlow won its first game of the season Sunday, March 26, by defeating Troop No. 52 of Cameron with a score of 12 to 2. In the second inning Marlow jumped on Troop 52's rookie pitcher and scored five runs. Another hitting rampage occurred in the sixth when McDonald and Mullinax walloped a couple of three baggers.

Jewel Mullinax pitched a two hit game for Marlow until relieved by Jack Hobson in the sixth, who also upheld the qualities of the Marlow pitchers by allowing only two hits. Together Jack and Jewel struck out eighteen men.

For Troop 52 W. Moran batted 1000. Mullinax for Marlow batted 600. This game was especially enjoyed by Marlow because of the two successive defeats by Troop 52 in the last baseball season. The teams will clash again in Cameron Sunday, April 9, and a good game is expected.

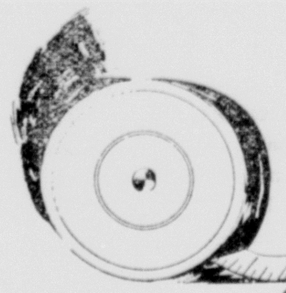
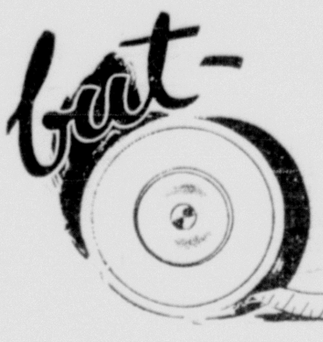
Cameron Herald





Here is one way to tell the story of how the cost of home electric service has been reduced. Today the average residential customer in Cameron buys 33 per cent more electricity than in 1928 and 68 per cent more than in 1925 for the same amount of money.

Electric service rates have LED the downward march in the cost of living. Practically all other items in the cost of operating a home have seen high levels since the last "low price" period of 1914, but the cost of electric service has been consistently reduced.

Electric rates are not only LOWER today than ever before, but the present low rate schedule permits the use of electrical appliances to lessen the task of housekeeping ... bring comfort in summer and winter to all members of the family and to furnish entertainment and joy from the "early bird" program until the radio announcer says good-night at midnight.

Only a short time ago electricity was used principally for..

THE GANG DEATH THAT DISGRACED AMERICA

(An Editorial in Startling Detective Magazine)

The killer that invented gangdom's "one way ride" is dead and the manner of his death is a disgrace to the nation he profaned in life.

They called him Frannkie McErlane and he died a few weeks ago of pneumonia, a pentioner of Chicago's underworld killers, in a hospital in Beardstown, Illinois.

Even one of his intimates said of him:

"I don't remember that he ever did anything good in his life."

He was known as Chicago's most brutal gangster, more cruel than Capone, yet he died in bed—a free man!

In 1924, he seized Morrie Kearne, a rival beer peddler, forced him into car, shot him in the back and threw him out dead. It was the first "gang ride." Yet McErlane went free.

He killed an Oak Park policeman in 1918 and broke the Cooke county jail, yet he lived as a free man.

He shot to death Thaddeus Fancher, Crown Point Attorney, and slew with an axe Frank Cochrane, a witness of the crime. But he was acquitted and lived eight years as a free citizen.

In 1930, he was attacked in a Chicago hospital, routed assailants with a gun taken from beneath his pillow, recovered and murdered Dinabat Oberta and Sammy Malaga. Yet he went unconvicted.

He shot to death his common law wife, Marion Miller, and killed her two pet dogs beside her. His fingerprints were found at the scene, but he surrendered and was freed by police.

He was found on several occasions firing madly at imaginary enemies, clearly insane with drink. Yet he was not shot down; not imprisoned in either penitentiary or asylum.

He was known for years as a torturer and killer. Yet he was allowed to live a free man.

The last years of his life were spent in a palacial houseboat where he hid fugitives from justice and was paid by Chicago gangsters to stay out of Chicago. Yet he lived there unmolested either by gang foes or officials—a free man.

In his illness he battled four internes, knocked out a nurse with his fist, screamed fear of a secret enemy, and had four loaded pistols under his pillow. Yet he died a natural death and a free citizen.

That death is a disgrace. It is a disgrace to every officer who knew him to be a killer. It is a disgrace to the courts which should long since have sent him to the electric chair.

Thousands of Women Have Taken Cardui on Their Mothers' Advice

It is an impressive fact that many women have said they learned of the value of Cardui from their mothers.

What stronger evidence of her confidence in a medicine could a mother have than that she advises her daughter to take it!

Cardui is given the credit for relieving so many cases of womanly suffering that it is widely and favorably known. Druggists, everywhere, sell it.

If you are weak, run-down, suffering monthly, take Cardui. Take it for a reasonable length of time and try it thoroughly. As your health improves, you will share the enthusiasm of thousands of women who have written to say: "Cardui helped me."

CAUSES OF CANCER

In approaching the question—"What Causes Cancer?"—it is necessary to first decide what cancer really IS! Reduced to simplest terms it may be said that cancer is a mass of cells of the lowest grade. Unlike most other so called tumors, it has no membrane surrounding it. It has no nerve or blood supply.

The next proposition to consider is where a cancer is located. We find that it is always situated in parts of the body where there is epithelial tissue (the best example of this kind of tissue being the skin). Accordingly we find cancer of the lip, tongue, throat, stomach, uterus, intestines and breast.

Irritation or Injury—Cause

Proceeding to the next step in our process of reasoning, we find that the site of the cancer had either been subjected to a continued mild irritation or had been subjected to an injury that was repaired with scar tissue.

Were cancer caused by microorganism, no age would be noticeably exempt. But what do we observe in connection? That cancer is strictly a disease of middle life, and never occurs in children.

Assuming this theory to be true, let us see how it would work out in a given case. We know the scar tissue, which replaces normal tissue that has been destroyed is of low grade. On that assumption any scar tissue in the body that is subjected to continued irritation is liable to become cancerous. And once the process has been started, each succeeding generation of cells is more prolific than its forebears. This mass continues to enlarge through multiplication of its cells, and because it destroys everything in its path, it is called malignant.

Has No Blood Supply

After the mass has reached a given size, its central portion begins to break down, as it has no blood supply. The cells receive no nutrition and they die. The low vital resistance of the mass makes it a ready prey to the action of bacteria.

When that stage has been reached an operation is unavailing. It may prolong life, but that is all. The only way to remove a cancer is to cut it out—and do it early.

FEED YOUR HOGS A MINERAL MIXTURE

We can not tell what minerals our hogs need besides what they get in their regular feed, so we had better keep a mineral mixture before them all the time.

Hogs can eat thei r mineral mixture from a self feeder, a trough or box. Keep the mixture where all the hogs, from the smallest to the largest, can get it.

The following mixture has been recommended and used by many hog men to furnish mineral matter and tonic and to rid the hogs of worms:

Charcoal, 1 bushel; air slacked lime, 4 pounds; salt 4 pounds; bone meal 4 pounds; dissolve 1 1-2 pounds of copperas in a quart of water and pour over the mixture.

Minerals can be mixed in the feed but it is usually easier and better to let the hogs take the minerals alone.

Hogs like charcoal or slacked coal or partly burned corn cobs, all of which furnish about the same thing. Charcoal helps the hogs digestion. And it pays to keep hogs always supplied with charcoal.

Hogs have better bones and stronger pasterns when they have plenty of mineral mixture.

Cleaning up the yards and Making good hog tonic. Burn the cobs until they are charred, then pour water on them to stop them from burning.

The hogs will eat every bit of the charcoal thus made.

HOME DEMONSTRATION CLUB NEWS

Home Demonstration women and girls were busy during the months of January and February making cutting beds and improving yards and gardens. February Council reports showed that 53 tile cutting beds with 1889 cuttings had been made and 53 plain cutting beds or beds without tile made by club girls. The tile are also being used in strawberry beds in numerous instances and at the present time tile are being made for the hot weather garden.

Besides cutting beds made for the promotion of yard work women from six clubs had set out 1892 shrubs, 37 shade trees, made six walks, one rock garden, 1 house underpinned, 1 yard fence moved, 1 wash furnace and built 6 sanitary pit-type toilets.

Community work since the first of the year includes 7 school grounds landscaped, shrubs and trees planted for foundation planting, and screening grounds leveled, walks and driveways graveled and 2 fences built.

Expansion Work.

Mrs. L. L. Bradley of the Bethlehem Club probably did the most outstanding piece of expansion work the past month. Two demonstrations in canning chicken which included plain, barbecue, tamales in cans also the killing, dressing and cutting were given to club women of Bethlehem and San Gabriel representatives. These representatives planned to repeat the demonstration in their communities. School yard improvement was supervised at the Millerton school by Mrs. Bradley at the request of the Agent and Miss Eiland. Grounds were put in shape, beds made and planted with native material which was brought directly from local woods.

Mrs. Frank Winkler of the Ad Hall Club also supervised a canning demonstration of chicken at the home of Miss Anne Hampel for the Ad Hall Club, at which about 30 cans of chicken were put up. Nine women gained information at this meeting.

During February Club members set out 267 fruit trees and 1739 berry and grape vines, this includes 2 new orchards in the Ad Hall Community.

Ten demonstrations in meat preservation were given by club members in February reaching 37 families outside of club members. At these demonstrations and including individual reports for the month 9551 pounds of meat were cured, in 1410 containers, 4544 pounds lard, 799 pounds soap, one cellar for storage of food has been built.

How Doctors Treat Colds and Coughs

To break up a cold overnight and relieve the congestion that makes you cough, thousands of physicians are now recommending Calotabs, the nauseless calomel compound tablets that give you the effects of calomel and salts without the unpleasant effects of either.

One or two Calotabs at bedtime with a glass of sweet milk or water. Next morning your cold has vanished, your system is thoroughly purified and you are feeling fine with a hearty appetite for breakfast. Eat what you wish,—no danger.

Calotabs are sold in 10c and 35c packages at drug stores. (Adv)

POISON *in Your bowels!*

Poisons absorbed into the system from souring waste in the bowels, cause that dull, headachy, sluggish, bilious condition; coat the tongue; foul the breath; sap energy, strength and nerve-force. A little of Dr. Caldwell's Syrup Pepsin will clear up trouble like that, gently, harmlessly, in a hurry. The difference it will make in your feelings over night will prove its merit to you.

Dr. Caldwell studied constipation for over forty-seven years. This long experience enabled him to make his prescription just what men, women, old people and children need to make their bowels help themselves. Its natural, mild, thorough action and its pleasant taste commend it to everyone. That's why "Dr. Caldwell's Syrup Pepsin," as it is called, is the most popular laxative druggists sell.

Fish Chowder

Any fish can be used. Halibut or canned fish flakes always make good chowder.

1½ pounds of fish.
1 cup of potatoes (cubed)
1 cup of tomatoes.
1 cup of milk.
½ cup of salt pork or bacon (cut up).
½ cup of onions (cut up).
A little flour.

Method: Clean fish and boil for 15 minutes. Cut up bacon or pork and brown nicely in butter. Fry onions. Add tomato, onions, and pork to fish and water mixture. Add seasoning and milk. Cool slowly for 20 minutes. Mix flour with water and make a paste. Stir this into chowder until it thickens. Serve with warm crackers.

THINGS WORTH KNOWING

Until you have tried this easy method you will not realize how simple it is to make a solid straw hat look like new.

Brush all the dust off of it, then go all over it with damp corn meal, rubbing it in well. Next apply dry meal and work thoroughly in the straw and leave it in for some hours. Brush out the meal and wash freely with peroxide of hydrogen. Let it dry in the shade.

BAKING HINTS

Date Cake

1 pound dates (ground).
1 level teaspoon of soda.
1 cup of boiling water.
A little butter.
1 cup of sugar.
1½ cups of flour.
Salt.
1 egg.
½ cup of nuts.

Method: Grind dates. Rub soda into dates. Pour over 1 cup of boiling water. Add the remaining ingredients. Bake in a moderate oven.

A TONIC Laxative

CONSTIPATION, with the annoying symptoms that usually come with it, cuts down organic force and disturbs normal health and well-being. A thorough cleansing of the digestive tract is of great assistance in the removal of sickening constipation symptoms.

When excessive accumulated waste matter disturbs and strains the muscles of the large intestines, rendering them temporarily unable to perform their wave-like evacuating movements, Thedford's Black-Draught is useful in stimulating them to activity, which, again started, should continue regularly until some future disturbance interferes. In this way, Thedford's Black-Draught is one of the TONIC laxatives, tending, as it does, to establish a regular habit of evacuation.

CHICKENS TURKEYS

Give STAR PARASITE REMOVER in their drinking water and disinfect all nests and roosts by spraying each month; It will destroy disease-causing germs and worms, rid fowls and the premises of all lice, mites, fleas and blue-bugs, tone their system, keep them in good health and egg-production and prevent loss of baby chicks. Begin its use now. Germs and worms always come with the hatching season. No trouble to use, cost very small and your money back if not satisfied. For Sale By—

SOCIETY

TROOOP NO. 52
J. A. Lindle, Scoutmaster.

Troop No. 52 went on a hike to "Thick" Pasture last Thursday night, March 23. Those present were the scoutmaster and assistant, committeeman Michalka and 29 boys. The boys gathered around a large camp fire where each one prepared his own meal. Campfire songs were sung, led by the troop song leader Paul Michalka. Afterwards a debate was held with Scouts Paul Michalka and C. W. Gjedde on one side and Robert Hensley and George Matocha on the other. By popular vote of the boys present, the decision went to scouts Matocha and Hensley. After the debate another of those famous hair raising mystery stories was told by Senior Patrol Leader, Gjedde. Scout Gjede has become quite popular with his stories and the boys are always anxious to hear them. The troop was also entertained with harmonica selections by Scout Michalka. The meeting was closed by repeating the scout oath and law, led by the scoutmaster and the gang immediately fell in line for the trip back to town.

Troop No. 52 opened the baseball season for the year 1933 by an engagement with the Marlow boys Sunday afternoon. The contest resulted in disaster for No. 52. The score was 12 to 2 in favor of Marlow. Although the boys were somewhat outclassed from the beginning, they put up a stubborn battle and their spirit did not weaken. However, this was only the first game and Troop 52 will be heard from with better results during the season.

It was necessary for the patrol banquet to be postponed for one week, and it will be held the coming Tuesday night.

TROOP NO. 53
J. W. Haygood, Scoutmaster

At our regular meeting Friday night we had only a few present, however, we had a good meeting.

Patrol leaders, do not forget that this week is the last meeting we will have in the first three month contest of Patrol advancement, so be sure and get all your points together, and have it in the hands of the scribe before Friday night, so we can announce the winners. The prize will be awarded at the next regular meeting. We also invite our troop committee to be present this week for a special announcement of work to begin the first of April.

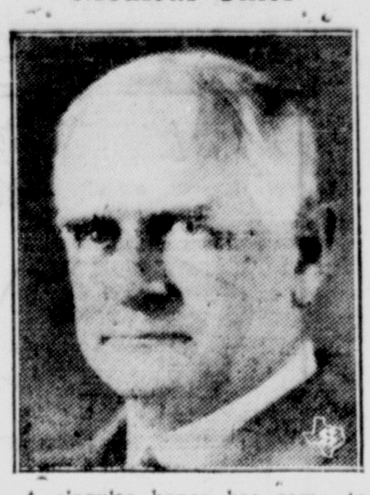
Medical Chief



A singular honor has come to Texas in that Dr. J. O. McReynolds of Dallas has been elected president of the Pan-American Medical association—an organization embodying the whole of South and Central America and the United States.

Parent-Teacher Assn. Elect 1933 Officers

The Milam County Council of Parent-Teacher Association held its quarterly meeting in Cameron last Saturday.

The newly elected officers are: Mrs. Guido Gersbach, president; Mrs. Robert Williams, vice president; Mrs. Sam MeWhinney, Treasurer. The secretary's office will be filled temporarily by Mrs. Tom Evard.

The address by Mrs. Violet Greenhill of Austin was on the subject of "Child Welfare in Texas." Mrs. Greenhill outlined the progress made in the two years of the life of the Child Welfare Division. Forty nine counties have organized their own child welfare boards to work in cooperation with the state office.

Official supervision of institutions for children and personal investigation of cases of neglected or delinquent children are two of the helpful lines along which this division functions.

COOKING HINTS
Fried Mush

Method: Put 2 cups of boiling water in a double boiler. Add a little salt. Pour one cup of corn meal slowly into the water. Stir until it thickens. If too thick, thin with water. Cook slowly for at least one hour. Pour into a buttered loaf pan. Let stand until cold and stiff. Cut into slices. Dip each slice into flour and fry. Serve in place of meat with nice butter and maple syrup.

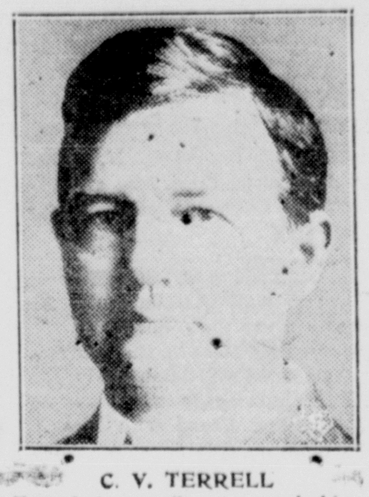
Run Railroad Commission From Afar

ERNEST THOMPSON



C. V. TERRELL

Thompson and Terrell, two of Texas' three railroad commissioneres, have announced from Washington, D. C., that they constitute the majority of the commission and what they say goes. Therefore, the ruling to "run East Texas oil wells wide open for two hours and then effect a shutdown" stands, regardless of the statements of Lon A. Smith, the third member of the commission.

Got Over Weak, Painful Condition By Taking Cardui

"I was weak and run-down and suffered quite a bit with pains in my side," writes Mrs. Nick Barranco, of Beaumont, Texas. "I was nervous. I did not rest well at night, and my appetite was poor.

"My mother had used Cardui with beneficial result, so I decided to take it. I surely am glad I did, for it stopped the pain in my side and built up my general health. I took seven bottles in all."

For over 50 years, Cardui has been helping women just as this Texas lady describes above.

Cardui is sold at all drug stores.

EASTER BRIDGE PARTY

The home of Mr. and Mrs. James Neinast was the scene Thursday of last week of a delightful party of girls who compose the personnel of the Thursday Contract Bridge Club, with Miss Bonnell Neinast as hostess.

A pretty pink, green and yellow color scheme was chosen by the hostess in her decorations, giving colorful tone to the reception rooms, where table covers, tally pads and score cards emphasized the pretty tones, with pansies for floral charm.

High score was made by Miss Cora Barmore; second high by Miss Ruby Robbins for members and highest for guests was won by Miss Foldyne Rylander. In the table cuts novelty Easter wagons filled with candy Easter Eggs went to Mrs. Harry Tag, Misses Katherine Robbins and Foldyne Rylander.

The hostess served a salad plate with ice drinks in the prevailing shades.

Guests other than club members were: Mrs. Harry Tag, Misses Katherine Robbins, Billie Gaither, Dinks Baskin and Foldyne Rylander.

GOOD CHEER BRIDGE CLUB

Members of the Good Cheer Bridge Club were entertained Friday afternoon by Mrs. W. G. Harsha.

Amid a pretty spring decoration, the members were served a salad course with hot coffee upon arrival, followed by a merry season of games. Mrs. Roy Griffith made highest score and Mrs. Lester Glass made second highest.

Guests other than club members present were: Mrs. B. P. Hurdle and Mrs. Dan Tyson.

PRESBYTERIAN AUXILIARY

Members of the Presbyterian Auxiliary met at the church Monday afternoon and held a business session. Mrs. Will Ford, the new president, presided over the meeting. They made an outline of the study and work of the Auxiliary for the ensuing year. They took up the study work of Contest Reading in the Presbyterian survey.

HISTORY CLUB

Bridal wreath and red amarilos were used in the floral decorations Tuesday afternoon when Mrs. Tom Denson entertained the History Club. Roll call was answered by giving subjects previously assigned.

Mrs. John Cecil Culpepper was the leader and spoke on "Our Trade Relations with Latin America."

At the close of the program the hostess served a salad plate with ice drink.

Miss Annie Bowman was a guest of the club for the afternoon.

Next meeting will be with Mrs. Culpepper with Miss Henderson as leader, who will speak on "Present Political Conditions in Latin America."

FRIDAY CONTRACT BRIDGE

Beautiful spring flowers lent charm to the reception rooms of Mrs. J. M. Ralston when she entertained the Friday Contract Bridge Club at her home last week.

Merry games held interest for a season when high score and second score were made by Mrs. Rush A. Thomas and Mrs. W. E. Gaither, receiving cards and bridge books respetcively.

Mrs. George Graves assisted the hostess in serving a salad course with coffee at the close of the games.

Miss Katherine Flinn was a guest of the club.

EASTERN STAR

At the next regular meeting April 25th, Deputy Grand Matron, Mrs. Constance Pietsch, of Calvert, will pay a professional visit to the chapter. On that date the Rockdale and Rosebud chapters are expected to be guests of the Cameron chapter. There will be initiation of members on that date.

COLLEGE BRIDGE CLUB

The College Contract Bridge Club held its second meeting Monday evening with Miss Gladys Davis at the home of her parents, Mr. and Mrs. Judd Davis, with all members present.

Easter decorations carried out a pink and yellow theme with table appointments lending a dainty charm.

Miss Bonnell Neinast assisted the hostess in serving strawberry ice cream topped with whipped cream and fresh berries, and white angel food squares.

Miss Dinks Baskin will be hostess next week.

TRIPPLE FOUR BRIDGE CLUB

Mrs. Clifton Jenness and Mrs. George Childress, Jr. were high and low winners in score, respectively, when Mrs. Julian Baskin entertained the Tripple Four Bridge Club. Guests other than members were: Mesdames Oxsheer Smith, John B. Henderson, Rush Thomas and B. F. Bonds.

The serving of dainty refreshments marked the closing of the afternoon's pleasure.

Mrs. W. A. Bonds and Mrs. P. W. Davis assisted the hostess in the hospitalities of the occasion.

FORTY-TWO CLUB

The forty two club enjoyed a delightful party in the home of Mr. and Mrs. Roy Law when they entertained the Club in their home in East Cameron.

A white and green color scheme was favored in the decorations throughout the reception rooms.

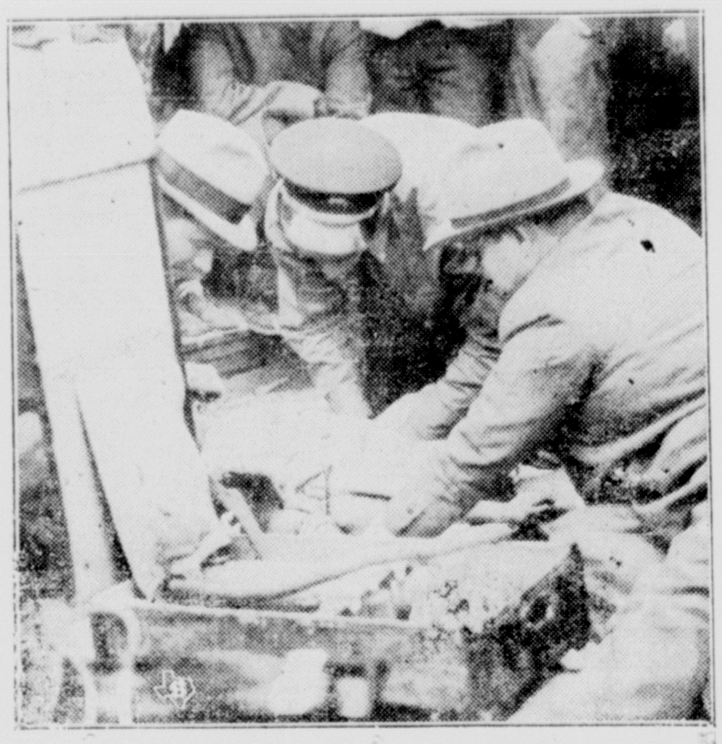
At the close of the games embossed angel food spuares with ice cream was served on trays that were centered with bowls of spring flowers.

Messrs and Mesdames Giles Averiett, Oxsheer Smith, C. W. Bradbury, John Cecil Culpepper and Hilry Stedman were present at this delightful affair.

CHRISTIAN AID SOCIETY

The women of the Christian Aid Society met at the church Monday afternoon for work in the building. They will hold a Mission study next Monday afternoon in the home of Mrs. Raymond Beard with Mrs. G. C. Walters as leader.

Fail to Revive Victims of Old Cistern



Efforts of Dallas fire department and Emergency hospital attaches to revive two little girls who drowned in a cistern failed and a little mound of earth now marks the spot near the school grounds where the death trap once was. The victims were Gregoria Sanchez And Anita Sosa, both aged seven. The photo shows attempts to revive one of the little girls.

SICK HEADACHE

Many cases of *SICK HEADACHE* are due to constipation. If you have headache that is due to constipation, take Thedford's BLACK-DRAUGHT for refreshing relief.

"I have taken BLACK-DRAUGHT, when needed, for about 15 years," writes Mr. J. W. Cooper, of Longview, Texas. "I first began to use it for sick headache that seemed to come from constipation.

"I would suffer about twenty-four hours with these headaches. I found out that BLACK-DRAUGHT would help me, so that is what I took. I am glad to recommend it to others, for this trouble, for it will give relief."

Thedford's BLACK-DRAUGHT is a purely vegetable laxative, preferred by thousands of men and women because it is so effective and economical.

For CHILDREN, get the new, pleasant-tasting *SYRUP of Thedford's Black-Draught*, in 25¢ & 50¢ bottles.
